1. INTRODUCTION

The memorial Fund is dedicated to the memory of our beloved colleague and friend Arfah Nasution. Arfah dedicated her life to nature conservation from an early age and worked for the Cikananga Foundation as our biologist from 2014 to 2020. In the summer of 2020 she was diagnosed with a brain tumour, a battle that she lost in September 2020.

Besides from working in the field, Arfah always loved getting opportunities to learn and gain experience and she was happy with every opportunity. Therefore we believe this Memorial Fund will be the perfect way to honour Arfah, because her memory will provide an opportunity for other young women to learn and contribute to the conservation of Indonesia's nature and wildlife.
